

Performance Technical Sales

Field Sales Professionals of Electronic Components

Product Lines

Manufacturer of innovative Embedded Computer solutions for Artificial Intelligence (AI) and edge processing applications. Offerings include Single Board Computers, Computer on Module, IoT Gateways, Panel PCs, for industrial applications.

www.aaeon.com

Neonode is the go-to company for advanced Contactless Touch, Touch, Gesture Control, and In-Cabin Monitoring.

www.neonode.com

Designer and manufacturer of standard and custom linear and rotary position sensors for industrial automation, power generation, military/ aerospace, test labs, and special manufacturing processes. Standard product lines include LVIT linear position sensors, along with LVDTs, rotary sensors, and sensor support electronics.

www.alliancesensors.com

Designer and Manufacturer of Innovative Magnetics. Our product portfolio includes RFID antennas (worldwide leader), power transformers, inductors & chokes, current sensors, EMC filters and PLC components. Our markets include AR/VR/MR, Smart Grid, IoT, Telecom/Industrial and Automotive.

www.grupopremo.com

Global developer and manufacturer of specialized power solutions for demanding applications that protect and enhance peoples' lives.

www.astrodyne.com

Environmental and flow sensors aimed at demanding users in the automotive, industrial, building automation, and consumer device markets which want compact, low-power board-mount products and superior sensor performance.

www.sciosense.com

Churod offers a range of relays with industry-leading coil sensitivities to save power when it is most crucial. Specializing in the design and manufacturing of relay products for the appliance, transportation, industrial and new energy markets.

www.churodamericas.com

Producer of graphic overlays, membrane and PCB switches, digital graphics, labels and more.

www.screenprintdow.com

Consolidated
ELECTRONIC WIRE & CABLE

Manufacturer of standard & custom electronic wire & cable, power supply cord sets & retractable cords, custom molded cable assemblies & custom wire harness products.

www.conwire.com

Manufactures highly reliable circular connectors, molded cable assemblies, jacks & plugs, switches, audio / video patchbays and patch cords, cable assemblies and more.

www.switchcraft.com

Switches and sensors, Electromechanical actuators, Electrical protection equipment, Cockpit controls, Automation controls and relays, Instrumentation services.

www.crouzet.com

Superior Sensor Technology's proprietary NimbleSense™ architecture has created a new generation of high performance, low pressure sensing sub-systems for industrial and medical applications.

www.superiorsensors.com

Thermal Circuit Breakers, Thermal-Magnetic Circuit Breakers, Magnetic Circuit Breakers, High Performance Circuit Breakers, Electronic Circuit Breakers, Solid State Remote Power Controllers, and Power Distribution Solutions.

www.e-t-a.com

Designer and manufacturer of wireless tank monitoring sensor solutions to measure and report the level of liquids in domestic and commercial tanks, including oil, lubricants, gas, chemicals, water, DEF and LPG.

www.tekelek.com

Designer and manufacturer of board-mounted DC/DC conversion products including Digital & Analog Isolated DC/DC converters, Non-Isolated Point-of-Load regulators, 48V to Load Direct conversion products, ATCA Compliant Power Interface Modules (PIM), Industrial and RFPA application specific products, Flex Power designer software and SMBUS tools, evaluation boards and accessories.

www.flexpowermodules.com

A World leader in the design and manufacturing of NTC Thermistor and temperature probes.

www.tewa-sensors.com

Fabless provider of custom analog and mixed-signal Integrated Circuit (IC) solutions.

www.triadsemi.com

Designs and manufactures intuitive human interface solutions including CAN-BUS Controls, Keypads & Displays, Hall Effect Technology, Optical Encoders & Rotary Switches.

www.grayhill.com

Printed Circuit Boards, PCBA, Displays, Membrane Switches, Plastic Injection Molding, Stampings, Castings.

www.vexos.com

Develops, manufactures, and markets components designed exclusively for the measurement of pressure and flow. The pressure measurement technology includes both pressure switches (on/off switching elements), sensors and pressure transmitters (sensors with built-in amplifier electronics).

www.hubacontrol.com

Premier custom battery pack manufacturer offering a complete selection of replacement batteries, chargers, and power accessories for a wide range of application solutions including complex medical, military, industrial, mobility, emergency lighting and security.
